My name is Hiccup Horrendous Haddock III, great name I know. I live in a small town called main sport around here is Horseback have a'lot of competitions for showjumping nearly everybody enters except me of course. It's because my mother shortly after I was born she got into a bad accident at a showjumping competition and she now my overprotective father won't let me ride in case it happens to me instead.

So when all the other teens are out having fun and winning I have to be their groom because I work for their trainer Gobber, and I also get bullied a'lot because of it the minute I'm cleaning out one of the stalls but I get easily distracted at the competition that's on at the minute.

The competitors are Fishlegs and his overweight highland pony, Ruffnut and Tuffnut and their mischievous quarter horses Barf and Belch, My stupid cousin Snotlout and his chesnut very expensive thoroughbred hookfang and the amazing Astrid on her dapple grey warmblood stormfly. I get snapped out of my daze by my idiotic cousin.

"Hey Useless your Daddy didn't get you a horse yet how sad" snotlout teased again

"Yeah your daddy is too afraid you might get hurt" Ruff and Tuff said in unison

"Guys did you here that Night Fury is coming to our stables tomorrow" Astrid said interrupting mt bullies

"Night-who?" I questioned

"You never heard of Night Fury he was the best showjumper around he is jet black arabian and he can jump anything" Fishlegs said in a matter of fact tone

"If he's so famous why is he coming to Berk" I questioned

"Gobber said there's something wrong with him but he wont tell us" Fishlegs said

"Well you guys can sit around here I'm going to go win this trophy" Snotlout said and galloped off

"Wait for us "everybody said except for me of course. I wonder what's this Night Fury like and what's his secret problem
